

# Altoona Family Child Care Center

## June Newsletter

### Down to Earth Field Trip

The kids had a wonderful time touring the greenhouses and learning about plants while at Down to Earth Growing Center. If you get a chance to go there and walk through their gardens it is truly amazing.

### Administering Medication Forms

We are not able to administer ANY kind of medication to your child without an "Administer Medication" form on file. This means we are not able to administer sunscreen without written permission. Please label your sunscreen with your child's name and date and birth and make sure to have a form on file in order for us to administer it.

### New Camera System

We have the new camera system installed and the clarity is amazing! If you are interested in viewing your child while they are at daycare please contact us to set up a personal username and password. The application that will need to be downloaded is called "FLIR Cloud". Each parent will receive access to only their child's classroom.

### Memorial Day

Memorial Day is May 30<sup>th</sup>. We will be only open for children that have signed up beforehand. If you need care this day please sign up on the form at the front door.

## June Birthdays!

- June 2<sup>nd</sup>- Grace R's Bday
- June 5<sup>th</sup>- Jacob's Bday
- June 9<sup>th</sup>- Lyli's Bday

### ***Reminder to Parents:***

*Parents please remember to empty out your child's mailboxes at least once a week. Also remember to take home all extra items hanging on your child's hook.*

*Thank You.*

## **Summer Weather**

Licensing Rules require that all children go outdoors for at least 10 minutes each day as long as the temperature is below 90 degrees. Please make sure that your child brings the appropriate clothing for outdoor play.
